

Talking Points

1. Today, we stand in support of Israel and the Jewish people

As believers, we are part of God's chosen family and the covenant of Abraham. The attacks on Israel were not just acts of terror against a nation, but against our family of faith.

2. We are here to remember the events in Israel on October 7, 2023

We are partnering with the International Fellowship of Christians and Jews, a supporter of Israel and the Jewish people for over 40 years.

3. The spirit of anti-Semitism is alive and more active than ever

The hostility against Israel as they defend their land and their people is increasing. They are engaged in combat with enemies on every front. But they're also fighting a war of good vs. evil.

So let us pray for Israel.

4. Flags of Fellowship is a response to anti-Semitism

It exposes its lies and supports Jewish people, showing they're not alone. By choosing life, we honor and sanctify it. United for life and freedom, we seek God's blessing for peace.

5. Flags of Fellowship honors 1,200 victims and the fallen soldiers

Since October 7, the flag of Israel has symbolized patriotism, honor, resilience, hope, and strength – and it serves as a reminder to the world of a nation blessed by God.
